FAIR HOUSING:

The Fair Housing Act, enforced by the Ohio Civil Rights Commission, provides every person the opportunity to freely reside in any place without regard to race/color, religion, sex, national origin, disability, military status, or familial status. The CDBG program requires that Fair Housing rights are publicized and protected. To accomplish this, grantees must administer a Fair Housing Program in the CDBG project areas. While flyers and brochures are available on a continued basis, the Hocking. Athens. Perry Fair Housing Consortium will facilitate scheduled training sessions in CDBG project areas.

- **REQUIRED COMPONENTS: ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING (AI)** – The Analysis of Impediments to Fair Housing (AI) is a comprehensive planning document that analyzes the county’s fair housing needs and develops strategies and activities to address the fair housing conditions in the county. An annual update of the AI is a required component of the CDBG program.
